Date: May 9, 2019

Time: 9:30 a.m. (Pacific Time)

Place: United States Bankruptcy Court
Courtroom 17, 16th Floor

1 I, Dr. Adel Turki, being duly sworn, state the following under penalty of perjury:

2 I am a Senior Managing Director of Compass Lexecon, LLC ("**Compass**"), a leading
3 economic consulting firm. I am duly authorized to make this declaration (the "**Declaration**") on
4 behalf of Compass and submit it in support of the *Application Pursuant to 11 U.S.C. § 327(a) and*
5 *Fed. R. Bankr. P. 2014(a) and 2016 for Authority to Retain and Employ Compass Lexecon, LLC*
6 *as Economic Consultants to the Debtors Nunc Pro Tunc to Petition Date* (the "**Application**"),
7 which was filed by PG&E Corporation ("**PG&E Corp.**") and Pacific Gas and Electric Company
8 (the "**Utility**"), as debtors and debtors in possession (collectively, "**PG&E**" or the "**Debtors**") in
9 the above-captioned chapter 11 cases (the "**Chapter 11 Cases**") to perform those engagements
10 summarized in the in the Application (the "**Engagements**").¹ Unless otherwise stated in this
11 Declaration, I have personal knowledge of the facts set forth herein.

12 **I. COMPASS' QUALIFICATIONS**

13 Pursuant to the terms of the Engagements, Compass has agreed to provide certain economic
14 consulting services to the Debtors to the extent necessary to complete the projects specified the
15 March 22, 2018 retention letter (together with the current 2019 Schedule of Fees and the April 29,
16 2019 amendment, the "**Engagement Letter**", annexed hereto as **Exhibit A**). Compass is well-
17 qualified to provide such services to the Debtors as it has extensive experience and knowledge in
18 performing the scope of work described below and is widely recognized for its experience and
19 expertise in the provision of such services to a wide variety of business entities.

20 Compass is a leading economic consulting firm with twenty-one (21) offices and more than
21 425 employees globally. Compass has considerable experience providing a wide variety of
22 consulting services, including economic and financial analysis, to businesses in various contexts.
23 In particular, Compass has expertise evaluating and assessing damages and losses in mass tort
24 litigation, including in matters pertaining to the BP Deepwater Horizon oil spill and the General
25 Motors ignition switch recalls.

26
27 ¹ Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them
28 in the Application.

Compass has also been employed in numerous chapter 11 cases, including: *In re Aeropostale, Inc.*, Case No. 16-11275 (SHL) (Bankr. S.D.N.Y.); *In re AMR Corp.*, Case No. 11-15463 (SHL) (Bankr. S.D.N.Y.); *In re GenOn Energy, Inc.*, Case No. 17-33695 (DRJ) (Bankr. S.D. Tex.); *In re Lehman Bros. Holdings Inc., et al*, 08-01355 (SCC) (Bankr. S.D.N.Y.); *In re Lightsquared Inc., et al.*, Case No. 12-12080 (SCC) (Bankr. S.D.N.Y.); *In re Motors Liquidation Co.*, Case No. 09-50026 (MG) (Bankr. S.D.N.Y.); *In re MPM Silicones, LLC*, Case No. 14-22503 (RDD) (Bankr. S.D.N.Y.); *In re Nine West Holdings, Inc.*, Case No. 18-10947 (SCC) (Bankr. S.D.N.Y.); *In re Paragon Offshore PLC*, Case No. 16-10386 (CSS) (Bankr. D. Del.); *In re Physiotherapy Holdings, Inc.*, Case No. 13-12965 (KG) (Bankr. D. Del.); *In re Tribune Co.*, Case No. 08-13141 (KJC) (Bankr. D. Del.); *In re Tronox Inc.*, Case No. 09-10156 (ALG) (Bankr. S.D.N.Y.).

Furthermore, as described in the Zumbro Declaration, Compass performed a number of services for the Debtors prior to January 29, 2019 (the “**Petition Date**”) and, as a result, has developed valuable institutional knowledge regarding the subject matter of its engagement, which will assist it in providing effective and efficient services in the Chapter 11 Cases. Accordingly, Compass is both well-qualified and uniquely able to provide the services set forth in the Application during the Chapter 11 Cases in an efficient and timely manner.

Compass submits that continued employment and retention of Compass as economic consultants to the Debtors for the purpose of completing the specific services set forth in the Engagement Letter is in the best interests of the Debtors, their creditors and all parties in interest.

II. SCOPE OF SERVICES

Pursuant to the terms and conditions of the Engagement Letter, the Debtors seek to continue to retain Compass, through Cravath, to serve as economic consultants to assist with Cravath’s representation of Debtors. The Debtors and Cravath contemplate the continuation of Compass’ engagement for a wide variety of services as have been, and may be, requested by Cravath and/or the Debtors (the “**Services**”), including (but not limited to) the following:

- Analyzing the losses and potential damages associated with the Northern California

Wildfires;

- Assisting the Debtors in any claims estimation process in the Chapter 11 Cases, including performing economic analysis and data review pertaining to the estimation of potential liability in connection with the Northern California Wildfires;
- Supporting the Debtors with related empirical analyses; and
- Providing expert testimony in connection with any of the foregoing services.

To the extent that the Debtors and Compass later determine that Compass will perform additional services, deemed appropriate and necessary to benefit the Debtors' estates, and going beyond those contemplated by the Application or reasonable extensions thereof, Compass and the Debtors may enter into additional agreements with respect to such services and will seek separate retention orders with regard to any such additional agreements.

III. NO DUPLICATION OF SERVICES

Compass understands that the Debtors have retained and may retain additional professionals during the term of the engagement. It is my understanding that the services to be rendered by Compass will not be duplicative of the services rendered by any other professionals in the Chapter 11 Cases. Compass will, working together with the Debtors and Cravath, use reasonable efforts to avoid the duplication of services being rendered by Compass and other professionals in the Chapter 11 Cases and agrees to work cooperatively with any additional professionals to integrate any respective work conducted by the professionals on behalf of the Debtors.

IV. PROFESSIONAL COMPENSATION

Compass intends to apply to the Court for allowance of compensation and reimbursement of expenses for the services performed for the Debtors, in accordance with sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, the *United States Bankruptcy Court Northern District of California Guidelines for Compensation and Expense Reimbursement of Professionals and Trustees*, effective February 19, 2014 (the "**Local**

1 **Guidelines**”), the U.S. *Trustee Guidelines for Reviewing Applications for Compensation and*
2 *Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*,
3 effective November 1, 2013 (the “**U.S. Trustee Guidelines**,” and together with the Local
4 Guidelines, the “**Fee Guidelines**”), the *Order Pursuant to 11 U.S.C. §§ 331 and 105(a) and Fed.*
5 *R. Bankr. P. 2016 for Authority to Establish Procedures for Interim Compensation and*
6 *Reimbursement of Expenses of Professionals* [Docket No. 701], and any further Orders of the
7 Court in the Chapter 11 Cases regarding professional compensation and reimbursement of
8 expenses (the “**Orders**”). Moreover, Compass will make reasonable efforts to comply with the
9 requests of the United States Trustee (“the **U.S. Trustee**”) for information and additional
10 disclosures as set forth in the Fee Guidelines or any other applicable Orders.

11 Compass’ decision to advise and assist the Debtors in connection with these Chapter 11
12 Cases is subject to its ability to be retained in accordance with the terms set forth in the Engagement
13 Letter. Subject to this Court’s approval, Compass, in accordance with its customary terms and
14 conditions of employment, including the proposed compensation arrangements set forth in the
15 Engagement Letter (the “**Fee Structures**”), applies for compensation for Compass’ consulting
16 services on an hourly basis in accordance with Compass’ ordinary and customary rates in effect
17 on the date such services are rendered; and reimbursement of actual and necessary costs and
18 expenses incurred by Compass in connection with all services performed on behalf of the Debtors.
19 I believe that these Fee Structures and compensation for each of the Engagements are market-
20 based and reasonable considering Compass’ knowledge and experience.

21 The hourly rates set forth below are Compass’ applicable hourly rates for the work of its
22 professionals and staff members for the services set forth in the Engagement Letter. These hourly
23 rates reflect Compass’ normal and customary billing practices for engagements of this complexity
24 and magnitude. Compass’ hourly rates are subject to periodic adjustment from time to time in
25 accordance with Compass’ established billing practices and procedures. Compass will provide
26
27
28

reasonable notice of any changes to its hourly rates to the Debtors and the U.S. Trustee.

Compass Professional	Hourly Fee
Senior Professionals	\$700-975
Professional Staff	\$580-685
Research Staff	\$220-605

Additionally, Compass will invoice the Debtors for its reasonable out-of-pocket expenses charged during the Chapter 11 Cases, which include, among other things, travel expenses and expenses for purchased data. Such out-of-pocket expenses are charged at actual cost. Compass will maintain records in support of any actual, necessary costs and expenses incurred in connection with the rendering of its services in these Chapter 11 Cases.

In the ninety (90) days before the Petition Date, the Debtors paid Compass \$739,321.58 for services rendered.

V. COMPASS' DISINTERESTEDNESS

A. Prepetition Fees and Expenses

Compass does not hold a prepetition claim against the Debtors for amounts owed or services rendered. In the ninety (90) days before the Petition Date, the Debtors paid Compass \$739,321.58 for services rendered. Compass is not owed any prepetition fees or expenses related to these Chapter 11 Cases, but Compass may be owed money on account of prepetition fees or expenses in matters involving the Debtors but unrelated to these Chapter 11 Cases. To the extent any money is owed by the Debtors on account of prepetition fees or expenses, Compass hereby waives such amounts so that it is not a creditor of the Debtors.

B. Current or Former Director, Officer or Employee of the Debtors

Compass and the professionals assigned to these Chapter 11 Cases currently do not serve and have not served as a director, officer or employee of the Debtors within two years before the Petition Date.

C. Compass' Corporate Relationship with FTI

The Creditors Committee has applied to retain FTI Consulting, Inc. ("FTI") in the Chapter 11 Cases. While Compass is a wholly owned subsidiary of FTI, I do not believe that either the

1 Debtors' retention of Compass or the Creditors Committee's potential retention of FTI create an
2 interest materially adverse to the interest of the Debtors' estates, for the following reasons:

3 *First*, Compass, while owned by FTI, operates as a separate and independent corporate
4 entity from FTI. FTI does not manage, oversee or control any aspect of Compass' day-to-day
5 operations. Compass' management, employees and information technology systems are wholly
6 separate and in no way overlap with FTI's management, employees or information technology
7 systems.

8 *Second*, specifically as it relates to the work that Compass has been and may be doing for
9 Cravath and the Debtors related to the Northern California Wildfires, FTI has not had, and will
10 continue to not have, any supervision or control over any of the work performed by Compass.
11 Compass' work related to the 2017 North Bay fires and the 2018 Camp fire was performed entirely
12 by Compass personnel, who, as previously mentioned, share no overlap in any respect with FTI
13 personnel and staff.

14 *Third*, FTI has no visibility into, or access to, and has not seen to date, any of the work, or
15 the results thereof, that Compass has undertaken for Cravath and the Debtors related to the
16 Northern California Wildfires.

17 *Fourth*, FTI and Compass will not be working together, in any way, on any matters as to
18 which Compass is being retained in the Chapter 11 Cases.

19 Compass commits to protecting the confidentiality of its client information through the use
20 of internal security procedures designed to ensure that only Compass employees involved directly
21 with or working on the Debtors' engagement may have access to the information, databases, e-
22 mails, schedules or any other information relating to that engagement.

23 **D. Compass' Conflicts Checking Process and Results**

24 In connection with its proposed retention by the Debtors in these Chapter 11 Cases,
25 Compass undertook to determine whether Compass has any conflicts or other relationships that,
26 in contravention of Bankruptcy Code Section 327(a), might cause it not to be disinterested or to
27 hold or represent an interest adverse to the Debtors or their estates. Specifically, Compass obtained
28

1 from the Debtors the names of individuals and entities that may be parties in interest in these
2 Chapter 11 Cases (the “**Potential Parties in Interest**”). A list summarizing the Potential Parties
3 in Interest is reflected on **Schedule 1** attached hereto.

4 Compass’ conflict analysis, completed under my supervision, consisted of queries of an
5 internal computer database containing names of current and former clients and other relationships
6 (the “**Client Database**”). The Client Database generally includes: (i) the name of each client of
7 Compass; (ii) the name of each party who is or was known to be adverse to such client of Compass
8 in connection with the matter in which Compass is or was engaged for such client; (iii) the name
9 of each party that has, or had, a substantial role with regard to the subject matter of Compass’
10 retention; and (iv) the names of Compass professionals who are, or were, primarily responsible for
11 matters for such clients.

12 In addition, an email was issued to all Compass professionals to determine whether any
13 such individuals or any members of their households (i) own any debt or equity securities of the
14 Debtors; (ii) hold a claim against or interest adverse to the Debtors; (iii) are or were officers,
15 directors, or employees of the Debtors or any of their affiliates or subsidiaries; (iv) are related to
16 or have any connections with Bankruptcy Judges in the Northern District of California; or (v) are
17 related to or have any connections to anyone working in the Office of the United States Trustee
18 for the Northern District of California.

19 A summary of the relationships and representations that Compass was able to identify using
20 its reasonable efforts is set forth on **Schedule 2** to this Declaration. Compass’ representation of
21 each entity listed on **Schedule 2** (or its apparent affiliate, as the case may be), however, was or is
22 only on matters that are unrelated to the Debtors and these Chapter 11 Cases. This list includes
23 Compass’ relationships with the Debtors, their affiliates and subsidiaries, their current and former
24 directors and officers, including their affiliations, the Debtors’ professionals, their lenders and
25 administrative agents, their insurance providers, their DIP lenders, their top unsecured creditors,
26 material contract counterparties, their significant shareholders and holders of unsecured notes, the
27 unions, certain litigants, regulatory and government agencies, members of the Committee,
28

1 members of the Official Tort Claimants Committee and its professionals (and individual member
2 professionals), members of the various ad hoc groups, including their professionals, and employees
3 of the Office of the Governor of California and its advisors, the office of the United States Trustee
4 for Region 17 and the Bankruptcy Court.

5 Except as set forth on **Schedule 2** hereto: (a) Compass has no connection with the Debtors,
6 the Debtors' creditors, the U.S. Trustee, any person employed in the office of the U.S. Trustee, or
7 any other party with an actual or potential interest in these Chapter 11 Cases or their respective
8 attorneys or accountants; (b) Compass is not a creditor, equity security holder, or insider of the
9 Debtors; (c) neither Compass (nor any of its professionals) is or was, within two years of the
10 Petition Date, a director, officer or employee of the Debtors; and (d) Compass does not have an
11 interest materially adverse to the Debtors, their estates or any class of creditors or equity security
12 holders by reason of any direct or indirect relationship to, connection with, or interest in the
13 Debtors, or for any other reason. Accordingly, to the best of my knowledge, Compass is a
14 "disinterested person," as defined in section 101(14) of the Bankruptcy Code and as required by
15 section 327(a) of the Bankruptcy Code.

16 Compass is not providing, and will not provide, services to any of the clients that are listed
17 on **Schedule 2** with respect to matters as to which they would be adverse to the Debtors or their
18 estates or related to issues connected to the Debtors' Chapter 11 Cases. Further, Compass is not
19 providing, and will not provide, services to the Debtors that would be adverse to any of the entities
20 listed on **Schedule 2**.

21 As set forth in further detail herein, Compass is a global economic consulting firm. As can
22 be expected with respect to any international professional services firm such as Compass, Compass
23 provides a wide range of services to many clients, which may include one or more entities with
24 interests in these Chapter 11 Cases. To the best of my knowledge, Compass's services for such
25 clients do not relate to these Chapter 11 Cases.

26 Moreover, as part of its diverse practice, Compass appears in numerous cases, proceedings,
27 and transactions that involve many different professionals, including attorneys, accountants, and
28

1 financial consultants, who may represent claimants and Potential Parties in Interest in these
2 Chapter 11 Cases. Additionally, Compass has performed in the past, and may perform in the
3 future, consulting services for various attorneys and law firms in the legal community and has been
4 represented by several attorneys and law firms in the legal community, some of whom may be
5 involved in these Chapter 11 Cases. Moreover, Compass has in the past, may currently and will
6 likely in the future be working with or against other professionals involved in these Chapter 11
7 Cases on matters unrelated to the Debtors or these Chapter 11 Cases. Based on my current
8 knowledge of the professionals involved, and to the best of my knowledge, none of these business
9 relationships create interests materially adverse to the Debtors with respect to the matters for which
10 Compass is to be employed, and none are in connection with these Chapter 11 Cases.

11 Although Compass has researched the Potential Parties in Interest list, the Debtors may
12 have customers, creditors, competitors, and other parties with whom they maintain business
13 relationships that are not included as Potential Parties in Interest and with whom Compass may
14 maintain business relationships. Other than as disclosed herein, Compass has no relationship with
15 the Debtors of which I am aware after due inquiry.

16 To the best of my knowledge, no professional of Compass who will work on these
17 engagements is related or connected to any United States Bankruptcy Judge for the Northern
18 District of California, any District Judge for the Northern District of California, or any employee
19 of the U.S. Trustee.

20 As specifically set forth in **Schedule 2**, Compass represents certain of the Potential Parties
21 in Interest in ongoing matters unrelated to the Debtors and these Chapter 11 Cases. None of these
22 representations described herein are materially adverse to the Debtors' estates. Compass should
23 not be disqualified from acting as the Debtors' economic consultant merely because it represents
24 certain of the Debtors' creditors, equity holders or other parties in interest in matters unrelated to
25 these Chapter 11 Cases.

26 Based on all of the foregoing, to the best of my knowledge and except as noted above,
27 Compass does not hold or represent any interest adverse to the Debtors' estates, and therefore
28

1 believes it is eligible to represent the Debtors under Bankruptcy Code § 327(a). It is Compass'
2 policy and intent to update its relationship search for any potential additional parties in interest.
3 To the extent Compass discovers any new material relevant facts bearing on the matters described
4 herein during the period of Compass' retention, Compass will amend and supplement the
5 information contained in this Declaration to disclose any additional facts and will promptly file a
6 Bankruptcy Rule 2014(a) Supplemental Declaration.

1 Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true
2 and correct to the best of my knowledge and belief.
